

## WELCOME TO OUR GARDENS

Our gardens are designed by Chelsea award winner Mary Reynolds and reflect the natural forest setting of the fern and the elegance of the country house that Fernhill is.

The gardens are in four parts including our formal wedding gardens, permaculture forest, wild river valley and our kitchen gardens. We believe in gardening organically and enhancing biodiversity where possible.

We hope you enjoy them.

### WALKING GUIDE

- |                     |                          |
